PROJECT AWARDS

The Post-Tensioning Institute is announcing a Call for Entries for the 2027 PTI Project Awards, which honors exceptional post-tensioning structures from around the world. Projects are recognized for the degree of innovation, complexity, cost effectiveness, functionality, constructability, and aesthetics, while embracing the use of post-tensioning as the primary structural reinforcing system.

Visit www.post-tensioning.org/events/upcomingconvention/ptiprojectaward.aspx to submit your project!
Entries are due on Monday, November 2, 2026.

To be considered for the PTI Project Awards:

1. The nominated project must utilize post-tensioning as the primary structural reinforcing system.
2. The nominated project must have been fully constructed or rehabilitated within 60 months (5 years) of the submission deadline.
3. The nominated project may be submitted by either the owner, architect, engineer, contractor, or post-tensioning supplier.
