location and dates subject to change*

January 2023

December 2023

FROM THE EXECUTIVE DIRECTOR

Dear PTI Member,

As we look forward to 2023, the Post-Tensioning Institute is happy to announce the launching of our popular Partner Program. Thank you to all the PTI Partners that supported the institute in 2022, we appreciate your amazing support, and look forward to your participation again as a Partner in 2023. PTI will continue to offer our members and attendees valuable and rewarding events and publications in 2023. As a PTI Partner, you will be provided the opportunity to gain exposure and recognition via many avenues including the PTI Convention, Committee Days, the PTI *JOURNAL*, the PTI Membership Directory, and at our very popular PTI Certification Weeks.

PTI continues to implement our Strategic Plan, which embraces a direction of excellence with the goals of growing the Institute while concurrently growing the market share of post-tensioning. The Institute's Strategic Plan is focused on five goals, Certification, Technical Leadership, Membership Value, Promotion, and Education. With your help and support as a PTI Partner, PTI will continue to advance the post-tensioning industry through 2023 and beyond.

With regards to our Membership Value goal, we want to help you and your business be positioned for success. To that end, our 2023 PTI Partner

Program will help you build your brand and connect with colleagues and customers in the post-tensioning industry, by offering all our exhibiting, sponsoring, and advertising opportunities, in one place. This prospectus outlines all the PTI Partner activities for 2023; some will be familiar to you, and some are completely new, but we believe there is something for every business and every brand. The more active you are as a PTI Partner, the more you'll save with big multi-item discounts.

There are many Partner opportunities for you to consider, such as helping to support the popular PTI VIP Reception in January during World of Concrete in Las Vegas, where attendees will have unparalleled access to those industry professionals who serve as decision-makers at their companies. The 2023 Partner Program also includes many sponsorship and exhibiting opportunities at the PTI Convention, PTI Certification Weeks, as well as sponsorship opportunities at PTI Committee Days. Advertising in the PTI *JOURNAL*, the PTI Membership directory, and on the PTI Certification tee-shirts, helps to provide much needed exposure to your company and brands.

Your support of PTI through the Partner Program allows the Institute to promote the benefits and advantages of post-tensioning while simultaneously showcasing your brand and business. I invite you to show your support of PTI and the post-tensioning industry by making an investment in the 2023 PTI Partner Program!

kind regards,

Tony Johnson, P.E.
PTI Executive Director

WHY PARTNER WITH PTI?

PTI has made it easier and more cost effective than ever to increase your participation in Institute activities while building your brand, marketing your products and services, and building meaningful and professional relationships.

Technical Leadership

PTI is committed to expanding the PT market by producing and distributing technical information more efficiently and wide-spread than ever before.

Membership Excellence

PTI Members are the best in their fields and have the greatest impact on the industry as a whole. Becoming a PTI Partner will help give you access to these members.

Relationship Building

All of our annual events and certification workshops boast priceless opportunities for networking and comradery.

Increased Exposure

Due to membership increases and the long-life of some of our Partner opportunities, becoming a PTI Partner will provide your business with elevated, repeated exposure.

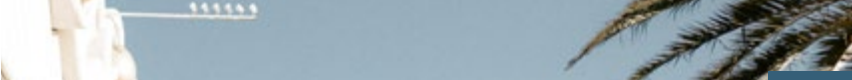

Variety of Options

PTI's Partner Program has expanded its options for exhibiting, sponsoring, and advertising. There is an opportunity and a price point for any business.

Multisaving items

The larger your Partner commitment, the larger your savings: discounts of 10% for 2 items, 15% for 3 items, 20% for 4 items, and 25% for 5 items!

WORLD OF CONCRETE PARTNER OPPORTUNITIES

January 17-19, 2023
Las Vegas, NV, USA

World of Concrete is the commercial construction industry's first, largest, and most important annual international event for concrete and masonry professionals across the globe! WOC has all the new equipment, products, training, and technology you need to perform projects safer, more efficiently, and with increased quality.

What Does World of Concrete Offer?

- 1,500 leading manufacturers and suppliers showcase their latest innovations, technology, and new products and equipment, and more.
- 170+ education sessions provide training and certification in concrete fundamentals, worksite safety, technology updates, project management, and more.
- 60,000+ concrete/masonry pros from every segment of the industry build strong relationships and connect with experts here.

In other words, anyone who is anyone in the concrete industry is here!

PTI will be participating at World of Concrete as an exhibitor - in a high-traffic location, in Central Hall at C4205 - and will also be hosting PTI VIP Reception! This exclusive event will take place right after the show floor closes for the day and is reserved for those with the highest influence in the concrete industry: PTI Members, their guests, and their customers. A "PTI VIP" or "PTI Guest" badge ribbon is required for entry into this event, where attendees will be treated to hors d'oeuvres, an open bar, and unparalleled access to those industry professionals who serve as decision-makers at their companies.

Even if you aren't exhibiting at World of Concrete 2023, you can still reach those who are there - those who are most important in the concrete industry - by becoming a PTI Partner and sponsoring PTI's VIP Reception. Sponsorship at the World of Concrete is reserved for PTI Members only.

// *In other words, anyone who is anyone
in the concrete industry is here!*

PTI CERTIFICATION WEEK PARTNER OPPORTUNITIES

8 Weeks in 2023
8 U.S. cities

PTI Certification Weeks offer training and certification workshops for field personnel involved in post-tensioning (PT) field operations—installers, inspectors, engineers, and others. With over 950 students predicted to attend certification weeks in 2022 and more students anticipated to attend PTI certification weeks in 2023, in locations all over the United States, there are numerous chances to reach industry workers through our sponsor opportunities.

Important Sponsorship Information to Know

- Partner Opportunities at PTI Certification Weeks are reserved for PTI Members only.
- T-shirt logos are for a 12 month commitment from date of the partner program.
- Tabletop displays are standard 6 ft by 30 inch table (84 by 30 inches), and all of your company materials need to fit on the table so that nothing is freestanding. Your company is welcome to have a representative at the certification week, but the price for the table does not include that representative's access to beverages and lunch at certification week (the cost for food and beverages is \$75 per day).
- Add a second tabletop display for \$250

6 Nationally ranked Certification Programs in 8 cities across the U.S.

2023 PTI Certification Weeks Schedule

Las Vegas Certification Week*: January 16-19 4 Workshops, 140 estimated attendees

PTI CONVENTION SPONSOR OPPORTUNITIES

April 30 - May 3
Miami, Florida

The 2022 PTI Convention brought together about 275 suppliers, contractors, consultants, design professionals, government employees, educators, and students. It was a successful week of productive meetings, exhibiting and technical sessions during the day and networking in the evening through exciting social events including the PTI Welcome Reception, the PTI Awards Dinner, and ax throwing! PTI is looking to increase attendance even more in Miami in 2023 due to the much desired location, and through a plan to heavily promote the Convention and PTI open exhibit hall.

There are many opportunities to become a PTI Partner at the 2023 Miami Convention: from reserving a booth in the exhibit hall to sponsoring a Convention event/food/beverage, and/or the badge lanyard, there is an opportunity and a price point for everyone.

Additional Sponsorship Recognition

All of the following 2023 PTI Sponsor opportunities include various company recognition on the PTI website, social media, electronic communications, PTI JOURNAL, Convention app, Program flier, and event signage.

CONVENTION EXHIBITOR AGREEMENT

GENERAL TERMS AND CONDITIONS

Cancellation

An administrative fee of 50% of the pledged amount will be charged for any cancellation occurring more than 60 days prior to the convention start date. Cancellations received less than 60 days before will not receive a refund. If PTI cancels the convention due to circumstances beyond their reasonable control, PTI shall refund to each sponsor the payment previously paid, minus a share of costs and expenses incurred.

Indemnification

The exhibitor assumes all responsibility for all loss, theft, and/or damage to exhibitor's displays, equipment, and other property while on Hotel premises, and hereby waives any and all claims and/or demands it may have against PTI and Hotel, its parent and/or any of its affiliate companies arising from such loss, theft, and/or damage.

CONVENTION EXHIBITOR AGREEMENT CONT.

GENERAL TERMS AND CONDITIONS CONT.

Americans with Disabilities Act

All parties shall be responsible for compliance with the public accommodation requirements of the Americans with Disabilities Act and the Act's accompanying regulations and guidelines (collectively, the "ADA").

Care of the Venue

Sponsor shall promptly pay for any and all damages to the venue or booth equipment of the property or others caused by the exhibitor.

Suitcasing

Attendees or exhibitors found to be "suitcasing" (soliciting business in aisles or booth of another Exhibitor) will be asked by staff to leave the show floor immediately.

EXHIBIT TERMS AND CONDITIONS

Booth Assignments

Booth assignments are completed on a first-come, first-serve basis, starting one year in advance during the PTI Convention held one year prior. Email Olivia Cell at olivia.cell@post-tensioning.org to reserve a booth.

Booth Inclusions

Each 10 x 10 ft booth space Includes: Pipe and drape, one 6 ft skirted table, two chairs, waste basket, and company ID sign.

Booth Construction

Exhibit materials may not extend past the allotted 10 x 10 ft area and not exceed 12 ft in height. Signage and setup should allow line of sight to other exhibits. Show management has the right to make you take down or remove anything that may block the view of other booths.

Installation & Dismantling

Exhibitors have move-in and move-out times as indicated in the Exhibitors Manual. Failure to remove and exhibit in the allowed time will afford PTI or its agent the right to remove and place same in a warehouse, subject to the Exhibitor's disposition, and/or ship to Exhibitor via common carrier with all charges to follow at no liability to PTI. All exhibits must remain intact until the Exposition is officially closed.

Forced Freight

Materials not packed and picked up by the end of the designated moveout time will be considered forced freight. The general service contractor will assume responsibility for forwarding that freight to the exhibitor. Exhibitors will be responsible for the costs to break down, package, and ship that freight.

Manning Your Exhibit Booth

PTI only requires that materials be readily available to be picked up by attendees during the show hours. PTI does NOT require that exhibitors be in their booth at all times. Exhibitors must be respectful to all convention attendees and other exhibitors at all times.

Exhibit Move-in/Move-Out

Exhibit Move-In is right before the Convention starts and Exhibit Move-Out is right after the final exhibiting period finishes. If you foresee a problem with moving in during the designated move-in hours please contact Olivia Cell at olivia.cell@post-tensioning.org to make alternate arrangements. You may not break down before the end of the show hours.

Storage

Combustible materials such as crates and boxes are limited to a 1-DAY SUPPLY on the exhibit floor. Storage of combustible materials behind booths is prohibited.

Sales on Exhibit Floor

Sponsors may sell or take orders for any concrete-related product only in their booth. Only the PTI Bookstore may sell publications/documents.

Security

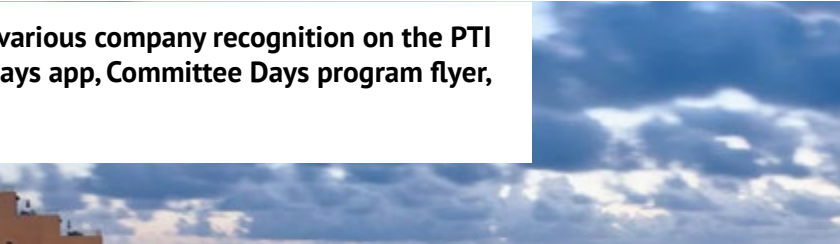

PTI and the Hotel are not responsible for lost or stolen items.

Insurance

The sponsor understands that PTI, the Hotel, the overnight security company, or general services contractor does not maintain insurance covering sponsor's property or lost revenue.

Exhibitor Service Manual

PTI will send an Exhibitor Service Manual to the designated representative of the Exhibitor. The Exhibitor Service Manual will include information integral to participation at the Event, including but not limited to: additional exhibitor rules and regulations, official contractor order forms, registration, shipping and drayage, utilities and building services, exhibitor display rules, and move-in/move-out schedules.

COMMITTEE DAYS PARTNER OPPORTUNITIES

October 3-6
Cancun, Mexico

Although Committee Days is a smaller-scale event, its value lies in the fact that only the most active, informed, and influential professionals from the post-tensioning industry attend. Participants of this event not only know about post-tensioning, they have made tremendous impacts on the industry by way of technology, research, and ideas. They write the standards and specifications for the entire industry. They are truly the “best of the best,” which makes PTI Committee Days the exclusive place to be!

The 2019 Committee Days hit record attendance with over 130 suppliers, contractors, consultants, design professionals, government employees, educators, and students, and the 2021 Committee Days had similar attendance. As Cancun, Mexico is a prime location for this event, attendance is expected to be higher than ever before in 2022 and 2023.

PTI is now offering 5 different Partner opportunities for 2023 Committee Days including attendee lunch, attendee breakfast, attendee coffee break, the President’s Reception, and badge lanyards complete with your company’s logo and information.

All of the following 2023 PTI Committee Days Partner opportunities include various company recognition on the PTI website, social media, electronic communications, PTI JOURNAL, Committee Days app, Committee Days program flyer, and event signage.

Only the most active, informed, and influential pros from the post-tensioning industry attend

PTI Committee Days Food Sponsor Opportunities

Sponsorship	Attendee Lunch	Attendee Breakfast	Attendee Coffee Break
# Available	2 (pick Wed. or Thurs.)	Friday	2 (pick Wed. or Thurs.)

Additional PTI Committee Days Sponsor Opportunities

Sponsorship	Presidents Reception Sponsor	Committee Days Lanyards with your Company's Info/Logo
# Available	1	1
Cost (PTI Member/Non-Member)	\$1,750/\$2,500	\$1,000/\$1,750

MEMBERSHIP DIRECTORY PARTNER OPPORTUNITIES

Published each calendar year, the **PTI Membership Directory** is said to be one of the most valuable resources offered. It contains contact information for all PTI Members and is mailed to all PTI Members. It is also distributed at the PTI Convention and other member events.

The Membership Directory is often used as a resource over-and-over again throughout the year in the offices of PT suppliers, design professionals, contractors, consultants, government employees, and educators, so the ads inside are subject to longer ad life and repeat exposure to the most influential people in the industry. Advertisements in the PTI Membership Directory are reserved for PTI Members only.

The 2023 PTI Membership Directory will be printed and mailed to all PTI Members.

PTI JOURNAL PARTNER OPPORTUNITIES

Published twice per year and mailed to all PTI Members around the world, the **PTI JOURNAL** is the industry’s only periodical focused on the post-tensioned concrete industry.

The publication features peer-reviewed technical papers, articles, industry news, and project case studies. It’s unique in its shelf-life: the *JOURNAL* is often used as a reference, and therefore provides extended ad life and repeat exposure to your brand.

In addition to being distributed to all PTI Members, hundreds of copies of the *JOURNAL* are given out at industry events including World of Concrete, the NCSEA Structural Engineering Summit, and more. The PTI *JOURNAL* is also available to purchase on the PTI website for non-Members.

Membership Directory Partner Opportunities

You will receive confirmation of your PTI Partner selections via e-mail. If you have selected an item that would require further instructions (i.e., Convention booth, lanyards, ads, etc.), you will receive those instructions separately upon confirmation. All items are first-come, first-served, however, current PTI Members will have priority until 10/31/22, at which time Partner opportunities will be open to non-Members. Payment must be submitted at the time of order. Multi-item discounts are offered separately on each individual order. For example, if 2 items are ordered in December, and an additional 3 items are ordered in March, the first order will receive the 10% multi-item discount, and the second order will receive the 15% multi-item discount; no refunds or adjustments will be given. To receive the discount all selections must be made at once (or upon special circumstances within 2 weeks).
