PTI Certification Workshop: Level 1 & 2 Multistrand & Grouted PT Inspector

This workshop is a 1-day workshop designed to certify Multistrand and Grouted PT Inspectors. This workshop will enhance the knowledge and capabilities of individuals involved in the inspection of multistrand and bonded post-tensioning (PT) systems.

Upcoming workshops: (Check www.post-tensioning.org for updates)

Description: 1 day, 8:00 a.m. to 4:30 p.m. (lunch provided)

Workshop Schedule:
Day 1—Registration: 7:45 a.m. - 8:00 a.m.; Class: 8:00 a.m. - 4:30 p.m.;
Exam: 3:30 p.m. - 4:30 p.m.

Workshop topics:
• Inspection of PT systems materials and components
• Review of construction documents
• Material properties and testing
• Inspection of installation
• Inspection of tendon stressing operations
• Inspection of grouting, including latest updates to the “PTI Specification for Grouting of Post-Tensioned Structures”
• Certification exam

Who should attend: Contractors, installers, inspectors, engineers, DOT personnel, etc.

About the workshop: PTI invites you to increase your skill set and knowledge related to the inspection of installation, stressing, grouting, and inspection of grouted PT systems used in structural concrete applications.

As post-tensioning is increasingly recognized as the preferred method, owners and engineers are insisting that their projects meet the current industry standards for quality construction. To ensure this, major specification are requiring personnel certification for PT field operations. Contractors are also finding that having certified personnel results in fewer problems, fewer errors, and more efficient and cost-effective operations.

*It is the responsibility of the attendee to verify the PDH contract hours earned in this workshop meet the requirements of the state board of professional licensure for continuing education credits.

Registration Form

Level 1&2 Multistrand & Grouted PT Inspector

Note: Course content is pertinent to all types of multistrand and grouted post-tensioning construction, including bridges as well as building structures. PTI’s training workshops feature presentations, and group discussions that allow participants to gain insight into the specific aspects of inspection. Certification exams are administered at the completion of the classes. Applicants must attend all training sessions to be eligible to take the certification exam. Certification is valid for 4 years from the date of the workshop and can be renewed by passing an online exam. Workshop manuals are sent to applicants in advance and applicants are encouraged to read the manual prior to the workshop.

The workshop registration fee includes student manual, lunch, and refreshments. It does not include the cost of travel or hotel lodging; participants must make their own arrangements. PTI members and advanced registrations take advantage of discounted prices, as shown below.
