PTI Certification Workshop:
Level 1&2 Slab-on-Ground Installer & Inspector

This 2-day workshop is designed specifically for those involved with the installation and stressing of single strand unbonded post-tensioning systems for residential and light commercial slab-on-ground (SOG). Hands-on training is included in the workshop and will require students to demonstrate a proficiency in the skills required for working with single strand unbonded post-tensioning systems.

Upcoming Workshops: (Check www.post-tensioning.org for updates)

Description: 2 days, 8:00 a.m. to 4:30 p.m. (lunch provided)

Topics covered include:
- Introduction to PT fundamentals and systems
- Properties of prestressing steel
- Construction documents
- Installation practices
- Stressing operations
- Tendon finishing

Who should attend: This training is of value to installers, inspectors, building officials, engineers, or anyone involved in the installation of unbonded post-tensioning systems for SOG.

About our instructors: Workshops are presented by instructors with extensive experience in post-tensioning installation and inspection. Their knowledge of real-world challenges provides attendees with an in-depth understanding of proper post-tensioning practices.

*Benefits of Certification
Quality of materials and workmanship are critical to the long-term durability and performance of post-tensioning. Individuals who complete this training will have a sound working knowledge of post-tensioning installation and inspection that will benefit them and their employers in many ways, including:
- Durability of PT construction
- Improved productivity
- Enhanced safety
- Risk reduction
- Code and specification compliance
- Improved profitability and competitiveness
- Professional development (earn 12 PDH/1.2 CEUs upon completion of the workshop*)
- Better value for the owner

Code and Specification Compliance
PTI recommends and many owners and specifiers require that post-tensioning installation be performed by individuals certified by an independent training and certification program; PTI-certified field personnel have been shown to meet this requirement.

For workshop location updates, visit www.post-tensioning.org.

Certification Requirements
Level 2 Slab-on-Ground Inspector
- Prerequisite: None
- Full workshop attendance
- Exam minimum score: 80%
- Field work experience: Total 500 hours (SOG or elevated construction) of which min. 150 in installation, and 150 in stressing

Level 1 Slab-on-Ground Installation
- Prerequisite: None
- Full workshop attendance
- Exam minimum score: 70%
- Field work experience: none

*It is the responsibility of the attendee to verify that the PDH contact hours earned in this workshop meet the requirements of the state board of professional licensure for continuing education credits.
REGISTRATION FORM

Level 1&2 Slab-on-Ground Installer & Inspector

Note: Workshop content is pertinent to unbonded post-tensioning systems for slab-on-ground foundations. PTI’s training workshops feature presentations and group discussions that allow participants to gain insight into the specific aspects of construction. Certification exams are administered at the completion of the classes. Applicants must attend all training sessions to be eligible to take the certification exam. Workshop manuals are sent to applicants in advance and applicants are encouraged to read the manual prior to the workshop.

The workshop registration fee includes student manual, lunch, and refreshments each day. Registration does not include the cost of travel or hotel lodging; participants must make their own arrangements. PTI members and advanced registration take advantage of discounted prices, as shown below.

Registration information:

Company name ____________________________________________ Workshop location/date _____________
Street address ____________________________________________ City, State __________________________
Zip code __________________ Phone ___________________ Fax __________________
E-mail address _______________________________________________________________________________________
Names of attendees ____________________________________________________________________________________

Payment information:

Please check all that apply.
