

Post-Tensioning Institute 38800 Country Club Drive Farmington Hills, MI 48331 Phone: (248) 848-3180 Web: www.post-tensioning.org

Benefits of Certification

Quality of materials and workmanship are critical to the long-term durability and performance of post-tensioning. Individuals who complete this training will have a sound working knowledge of post-tensioning repair installation and inspection that will benefit them and their employers in many ways, including:

- Enhanced safety
- Risk reduction
- Code and specification compliance
- Improved profitability and competitiveness
- Professional development (earn 12 PDH upon completion of the workshop*)
- Better value for the owner

For workshop location updates, visit **www. post-tensioning.org**.

PTI Certification Workshop: Level 1&2 Unbonded PT Repair, Rehabilitation, & Strengthening (for elevated structures)

This comprehensive 2-day workshop is designed to enhance the knowledge and capabilities of installers and inspectors and other key personnel involved in the repair of single strand unbonded post-tensioning systems for elevated structures.

Upcoming Workshops: (Check www.post-tensioning.org for updates)

Description: 2 days, 8:00 a.m. to 4:30 p.m. (lunch provided)

Note: Level 1&2 Unbonded PT Installer or Level 1 Unbonded PT Installation workshop attendance required before registration for this workshop.

Topics covered include:

- PT systems (modern & historical)
- Evaluation
- Repair methods
- Safety
- Case studies

Who should attend: This training is of value to building officials, engineers, industry personnel, or anyone involved in inspecting, supervising, or managing unbonded post-tensioning repair installation.

About our instructors: Workshops are presented by instructors with extensive experience in post-tensioning inspection and engineering. Their knowledge of real-world principles and challenges provide attendees with an in-depth understanding of proper post-tensioning practices.

*It is the responsibility of the attendee to verify that the PDH contact hours earned in this workshop meet the requirements of the state board of professional licensure for continuing education credits.

REGISTRATION FORM

Level 1&2 Unbonded PT Repair, Rehabilitation, & Strengthening

38800 Country Club Drive, Farmington Hills, MI 48331 Phone: (248) 848-3180 email: pticertifcation@post-tensioning.org Website: www.post-tensioning.org

Note: Course content is pertinent to repair, rehabilitation, and strengthening of unbonded post-tensioning for elevated construction. PTI's training workshops feature presentations and group discussions that allow participants to gain insight into the specific aspects of repair construction. Certification exams are administered at the completion of the classes. Applicants must attend all training sessions to be eligible to take the certification exam. Certification is valid for 4 years from the date of the workshop and can be renewed by passing an online exam. **Workshop manuals are sent to applicants in advance and applicants are encouraged to read the manual prior to the workshop**.

The workshop registration fee includes student manual, lunch, and refreshments both days. It does not include the cost of travel or hotel lodging; participants must make their own arrangements. **PTI members and advanced registrations take advantage of discounted prices, as shown below**.
