

Join us for PTI's first Women's Leadership Lunch

Tuesday, May 7 • 12:00 p.m.
\$20 (tickets available at the registration desk)

Enjoy lunch with your PTI colleagues and be inspired by speaker Jennifer Creighton, owner of Brightpath Consulting, a construction management firm.

With over 20 years of experience working on development and construction projects in the Seattle area, Jennifer has a vast network of partners in the design, development, and construction industry, and will speak about her experiences as a woman in male-dominated fields.
